

## **BOOKS AND CHAPTERS: (Con't)**

Growth Treatment in Down Syndrome Castells, S., Wisniewski, KE., editors John Wiley and Sons Publishers, 1993

Metabolic Bone Disease Castells, S. in 34 Edition of Pediatric Endocrinology Edited by Fima Lifshitz Marcel Dekker, Inc., Chapter 35, pp 521-534, 1996

Type 2 Diabetes Mellitus in Minority Children: an epidemic out of control. J. Pediatric Endocrinology Metabolism v.15; supplement 1 2002. Editor.

Severe Childhood Obesity. Pathophysiology and treatment. J. Pediatric Endocrinology Reviews. Vol.3 supplement 4, 2006. Editor.

Prevention of Renal Complications of Diabetes Type 1 and Type 2. J. Pediatric Endocrinology Reviews. In press.
